

PRESS RELEASE
For immediate release

Mont Saint-Sauveur's valet parking at your service!

Saint-Sauveur, December 20th 2010 –In to order to remain a leader in the industry and on top of its game, **Mont Saint-Sauveur** is proud to announce a valet parking rollout. **Mont Saint-Sauveur** therefore becomes the **first** to offer such customized service in Quebec.

All ski enthusiasts will be more than happy this year. This unique service is now indeed available to all and some if requested. Set on **Mont Saint-Sauveur's** landing stage, next to the main pavilion, the valet parking service will welcome you, help you with your ski equipment and will park your car in an private site, next to the free parking area, for only 10\$! Whether you wish to leave after a fun-filled day or simply want to take off your skis to enjoy the Viking or even follow up with a drink at the 70 bistro bar, our valet parking service will answer any requests. Page your valet once your ready to leave and your car will make its way to you, warmed, cleared from snow and ready to go home. The valet parking service will even move your car between your activities to suit your needs. End your headaches when it comes to parking your car, let us take care of it!

Leader of the industry, **Mont Saint-Sauveur** pushes ENCORE the boundaries and sets a new important ski and entertainment experience milestone. For more details on our offers, log on to our new Website www.montsaintsauveur.com. You won't believe your eyes!
